FISCAL NOTE

HB 88 - SB 1250

March 6, 2013

SUMMARY OF BILL: Authorizes law enforcement officers or agencies to use a minor in their operations without the consent of the juvenile court to prevent the sale of tobacco, alcohol, lottery tickets, and other prohibited items to minors.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Under current law, law enforcement officers or agencies must have the consent of the minor's parent or legal guardian and the juvenile court to use a minor in a sting operation.
- The bill as drafted would only require the consent of the minor's parent or legal guardian.
- According to the County Technical Assistance Service, the bill would not result in any fiscal savings to local law enforcement, but would save time.
